Holy Oil for Removing Satanic Bindings Rite explained in Prophecy Training Program of 1/7/2012

The following recipe is for a special Holy Oil made by post era Christian slaves particularly prophets. This oil is a sacred tradition used specifically for the purpose of casting out satanic bindings. This oil is only to be used by those who are consecrated and anointed to God and who have went through the process to learn the traditional Slaves Rite. As with standing tradition, this oil is not to be sold for any reason or purpose and not to be shared.

As explained in our Prophecy Training program of 1/7/2012 the process of making this specific oil is very archaic, lengthy and labor intensive. You must follow each process as directed in order to arrive at a high quality Holy Oil. In the old days they understood that some things such as this could not be rushed and had to follow prescribed time frames. A Holy Oil is only as good as the time, effort, quality of resources and faith put into it. The following of these directions and the time periods stated produces the most excellent superior grade of Holy Oil available today.

Ingredients

- 1-3 oz. Myrrh resin
- 1-3 oz. Frankincense
- 2-3 oz. Bark of Black Cherry Tree
- 1-3 oz. Sage
- 16 oz. Extra Virgin Olive Oil
- 1-3 oz. Lavender Buds (does not have to be French)
- 1-3 oz. Hyssop leaves
- 1-3 oz. Rosebuds

Things you will need:

- Note: All of these items must be new and prayed over and consecrated to God.
- 8- 8oz dark bottles with wide mouth and seals (washed, dried and prayed over)
- 1-Single Fine Mesh Strainer (washed, dried and prayed over)
- 1-White cloth (a new pillow case or towel washed, dried and prayed over)
- 1 Roll of wax paper.

Prayer to say over the items above:

God of all things,
Here comes your lowly servant on earth,
With a need to sanctify,
Here lie things made from the hands of man.
Now they are come into the service of your servant.
Let thy breath of the Holy Spirit breathe on them,
Curing them with the fires of heaven,
Preserving them for your sacred work.
Like the rod of Aaron. Like the arm of Moses.
Sealed by the blood of the lamb.
May they forever more be used for your Holy Work.
Amen

Note: I have provided links below to where you can get the above if you can't find them. Just remember with the herbs you don't want to use powdered or ones that have been chopped to fine. You want leaves. You might be able to find many of these in your local grocery store much cheaper. You might want to order the bottles or perhaps you can find a cheaper version online than the ones I have provided in the link below.

Preparation:

For seven consistent days

Prior to fermenting the herbs in oil, there is a seven day prayer period over the herbs and oils prior to using. Take the white cloth and lay it out on a clean prepared table. Do not lay them on the ground or floor as they are symbolic of heavenly things of God, consecrated for higher purposes while the ground represents man which is of a lower state and condition. Cut seven small squares of wax paper (large enough to hold a package of herbs) and lay them out on the white cloth. Gently take each group of herb out of its package and place the package aside. Do not let the herbs touch at this point; keep them in separate piles on each of the pieces of wax paper. Do not remove the oil from its bottle.

Proclamation over the Herbs and Oil

And God said, let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth: and it was so.

And the earth brought forth grass, and herb yielding seed after his kind, and the tree yielding fruit, whose seed was in itself, after his kind: and God saw that it was good.

Let the gathering of your herbs placed here be consecrated in your Holy name.

O LORD, revive thy work in the midst of the years, in the midst of the years make known;

Arise, O LORD; O God, lift up thine hand: forget not the humble.

Break thou the arm of the wicked and the evil man: seek out his wickedness till thou find none.

The LORD is King for ever and ever: the heathen are perished out of his land.

Let the gathering of your herbs placed here be the rock that breaks the arm of the wicked.

In the LORD put I my trust: how say ye to my soul, Flee as a bird to your mountain?

For, lo, the wicked bend their bow, they make ready their arrow upon the string, that they may privily shoot at the upright in heart.

If the foundations be destroyed, what can the righteous do?

The LORD is in his holy temple, the LORD's throne is in heaven: his eyes behold, his eyelids try, the children of men.

The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

Upon the wicked he shall rain snares, fire and brimstone, and an horrible tempest: this shall be the portion of their cup.

For the righteous LORD loveth righteousness; his countenance doth behold the upright.

May your Holy power be in these herbs and uphold the righteous in the midst of the wicked one.

Amen.

Note: For seven days you must repeat this whole process. Do not rush through it for the sake of time. When you speak the proclamation say it with conviction, faith and determination in your heart. As you say the words touch each of the piles of herbs and the olive oil as you go along.

After you complete the prayer, carefully repackage each of the herbs and place everything in a safe place where no one will touch them. For each process you will need to use new sheets of wax paper. Do not wash the white cloth. From this point on its consecrated and must not be washed ever even if it becomes stained.

Fermenting of the herbs and oil:

****Special note: Try to use the same amount of oil for each of the herbs and resins. Do not use more oil in one and less in another. Later on in the process when you combine the oils into one you want to have equal amounts of oil from each of the seven bottles.

After seven days of consecration the oils are now ready to be mixed with the oil. Take the white cloth and spread it out on a clean table. Take seven of the amber bottles which have been washed, dried and prayed over and place them on the white cloth. Place 2-3 ounces of the herbs and resins in each of the bottles, placing each herb or resin in its own separate bottle. Take a portion of the oil and pour it over the herbs just enough to cover a little above the top of the herbs or resin in the bottle. Secure the lid on the bottle and repeat this procedure for all until you have seven sealed bottles.

For seventy days the bottles must be placed in a secure, hidden location from others. I have found that the top of a closet in a box suffices. During this time period no one but you, the anointed one who formulated these oils must touch them. Keeping a calendar from the day you made them, every seventh day you must take them out and place the seven sealed bottles on top of the white cloth on a clean table. You must repeat the adapted proclamation below. Replace them in their secure hidden location after preparing them.

Proclamation over the Oil

And God said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth: and it was so.

And the earth brought forth grass, and herb yielding seed after his kind, and the tree yielding fruit, whose seed was in itself, after his kind: and God saw that it was good.

Let the gathering of your herbs placed in this oil here be consecrated in your Holy name.

O LORD, revive thy work in the midst of the years, in the midst of the years make known; Arise, O LORD; O God, lift up thine hand: forget not the humble.

Break thou the arm of the wicked and the evil man: seek out his wickedness till thou find none.

The LORD is King for ever and ever: the heathen are perished out of his land.

Let the oil placed here be the rock that breaks the arm of the wicked.

In the LORD put I my trust: how say ye to my soul, Flee as a bird to your mountain?
For, lo, the wicked bend their bow, they make ready their arrow upon the string, that they may privily shoot at the upright in heart.
If the foundations be destroyed, what can the righteous do?
The LORD is in his holy temple, the LORD's throne is in heaven: his eyes behold, his eyelids try, the children of men.
The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.
Upon the wicked he shall rain snares, fire and brimstone, and an horrible tempest: this shall be the portion of their cup.
For the righteous LORD loveth righteousness; his countenance doth behold the upright.

Praises unto you oh merciful God for giving your servant the power of the cross in this holy and anointed oil.

Amen.

After exactly seventy days have passed and you have repeated the 1st proclamation every seventh day as directed, remove the seven sealed bottles from their hidden location and place on the white cloth on the table. Take the 8th unused bottle that has been set aside and remove its lid. Using the sieve pour the oil from each of the seven herb bottles into the 8th one, combining all of the oils into one bottle.

After completing the combining of the oils into one bottle, take the bottle and repeat the proclamation over it. Place the bottle of mixed oils into the secure hidden location from before and leave it there for seven days. On each of these days take the bottle out of its location and repeat the adapted proclamation above.

The eight day completes the entire process and you now have before you sacred and powerful holy anointing oil. You can now place it in a smaller bottle of your choice if you like just make sure you clean and consecrate the bottle. The oil should be kept in a hidden location and remain untouched by others. Use this oil only in the rites presented in the 1/7/2012 Prophecy Digest, Prophecy Training program. Do not place this oil carelessly on others who are presumed to be in need, this oil is crafted for a specific purpose and must be utilized in the manner prescribed. Do not sell or loan this oil to others, only you the maker of this oil can hold and dispense it.

During the rites always place the oil on the upper portion of the individual's forehead (right below the hair line) away from their eyes. Only use one drop to smear do not use so much that it runs down into their eyes.

There are special proclamations that must be said while administering this oil. These will be provided in the Prophecy Digest Prophecy Training at the appropriate time of instruction.

Where you can purchase the needed herbs, resins and items.

Myrrh resin
