# “It’s not about profit, it’s about prophecy”

## About Sister Sharon

Sister Sharon is an independent prophetess and spiritual woman. God has called her into His service to preach and spread His message of prophecy, repentance and deliverance to all believers of the world. Her written works are some of the most popular and sought after prophecy information on the internet. Her gentle, caring and honest spirit has helped people all around the world to find their way in life. To hear her speak is an amazing experience because she delivers spiritual substance and shares her powerful anointing with all present. Sister Sharon is an expert when it comes to global prophecy but quite at home with personal prophesying as well.

Her humble beginnings in rural Florence, Alabama has given her an appreciation for the simpler things in life which is reflected in her ministry. Sister Sharon grew up in a small country Baptist church in a family overflowing with ministers and pastors. She later attended Alabama Christian College where she continued to build a spiritual foundation in her life. She was called into the ministry in 1997 and given the anointing of prophetess in 2004 and accepted it formally in 2006. In 2006 Sister Sharon denounced her past activities as a Black Panther in the New Black Panther Movement and dedicated her life completely to the service of God. She can speak first hand on the dangers of hate and how it is a contagious evil spirit which is taking over our society. Currently, she resides in Washington DC with her four beautiful children continuing her vows to God.

Sister Sharon is one of the most powerful new prophetess today and is changing the prophecy landscape with her truthful and spiritual approach to the messages of God. She is a pioneer of truth based prophecy that focuses on speaking what is right and truthful instead of telling people what they want to hear. Sister Sharon is not an entertainer but has the ability to electrify, motivate and empower audiences with her vast prophecy knowledge and overflowing anointing. Sister Sharon takes prophecy very serious

providing substance over performance. It would be an honor for her to speak at your event and assist you in your organizational or church goals. Sister Sharon has the ability to generate powerful and truthful messages that are in alignment with your theme.
