*And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war. Rev. 19:11*

Out of all the prophecies of the bible and new prophecies of today, the greatest prophecy of all time is in Revelations chapter 19 which foretells the return of Jesus Christ. There is no prophecy greater than the return of Jesus Christ yet it's the most overlooked and taken for granted of all prophecies. It's not unusual for Christians to listen to sermons every Sunday of their life and never encounter a word from the pulpit on Jesus return. I've listened to more sermons about his death but can count on one hand the ones I've heard about his return. Yet, the return of Christ is the mission of today's church. Revelations 19:10 teaches that "the testimony of Jesus is the spirit of prophecy".

The prophecy of Jesus return is filled with both sorrow and celebration. Sorrow because of the condition the world will be in and joyful because of Christ long awaited return to gather his people. Some people have this false picture of the world in which Jesus will return to. The earth that Jesus comes back too will look nothing like our present earth and times, it will be worse. All of the millions of believers we have around the world today will be gone only a small remnant will remain scattered about here and there. We take for granted all that we have today and seem to think that all of the churches in our community will always be there, all of the preachers, evangelist , prophets, denominations, programs and events will always be there for our future generations but it want. This is the world in which Jesus will return too. This is the world we are changing into today.

*And the first went, and poured out his vial upon the earth; and there fell a noisome and grievous sore upon the men which had the mark of the beast, and upon them which worshipped his image. Rev. 16:2* Every day I go to work, I ride public transportation and see all the healthy people on their way to various jobs and appointments. I look around and I see groups of homeless people gathered and talking, young people running and laughing. People need to understand that what we have today in every sense will soon fade away into something much worse this is not a gloom and doom prediction, this is reality and truth.

When Jesus comes back there will not be healthy and blessed people as we have today, instead there will be entire populations suffering from diseases with open sores and wounds living in filth. These are the ones who fell for the beastly empire because they were weak; they were not disciplined in their flesh so that after one missed meal they gladly accepted the mark of the beast. Yet, no sooner than the mark was put in their flesh the beast oppressed them more. These people are not strangers of the future these are devout believers of today who seem strong in God, steadfast in Christ and attentive to their Christian duties. These will be your family members, neighbors and co-workers. They use to know God, professed

Christ and were devout members of churches but for a few crumbs they turned their backs on God and worshiped the beastly system that Satan and man had built. When Jesus comes back he will find them suffering in misery like the living dead and the obnoxious scent of the Sulpheric Lake of fire haunting their every breath.

*And the fourth angel poured out his vial upon the sun; and power was given unto him to scorch men with fire. Rev.16:8* I am very appreciative and sensitive to nature; I love all forms of nature from a vast lush forest to a well manicured lawn. It's hard to imagine a world without trees, flowers, grass and all the wonderful plants God has placed on this earth. Look around you today at the parks, fields, trees, flowers and nature this is what you see today but when Jesus returns there will be nothing but a desert wasteland where all of these used to be. There will be hardly nothing left within our hemisphere to stop the burning rays of the sun it will scorch the earth until a hard cracked crust forms. There will be no need for farmers, horticulturist and landscapers all of these occupations will fade away because there will be nothing to work with except the hot dry powdery dirt. There will be no water to bring relief because all of the seas, lakes and rivers will become rotting and stinking pools of dead carcasses swarming with disease and flies. Jesus beloved gardens of Gethsemane and Mount of Olives will be the site of displaced populations who plunder around in the dirt cursing God and praising the beast. This is the filthy, sordid world that Jesus will come back too.

*And there were voices, and thunders, and lightnings; and there was a great earthquake, such as was not since men were upon the earth, so mighty an earthquake, and so great. And the great city was divided into three parts, and the cities of the nations fell: and great Babylon came in remembrance before God, to give unto her the cup of the wine of the fierceness of his wrath. Rev.16:18,19*

I have read about other prophecies and predictions that tell of how America will be split into three continents and upon spiritual studying Revelations and looking at scientific research I am most certain that these things will indeed happen one day. The earth as we know it will be no more. Nations will be torn to islands and pieces each small outlet warring with the other for supremacy. Some nations and continents will disappear into the filthy seas as the earth cracks apart and land masses shift. Cities will be in ruins with people savaging and living like animals trying to survive. There will be no more global markets, institutions, governments and corporations all of these will crumble into chaos and madness. The earth itself will rebel against the rule of the beastly empire and one massive disaster after another will take place until Jesus arrives to bring order.

*Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth her. Rev. 18:8* Babylon the Great Whore of the satanic foursome who moves multitudes to commit sin and fornicates with the Kings of the earth will be burned to ashes by the wrath of God. Babylon is not America she is a member of a global empire that rules the world, the same global system that brought us the recession of 2009. When Jesus returns this system will have expanded and became much powerful than what it is today but God will strike it down just as He did the Tower of Babel in ancient times. When Jesus comes back the financial systems of this world will be in ruin, businesses, banks, governments and stock markets across the globe will have fallen leaving millions upon millions in ruin. There will be hysteria as many wealthy people suddenly find themselves poor. Governments will have to shut down because there will be no funds to pay workers or continue services. When God strikes Babylon it will be worse than the Great Depression it will be the end of the financial world and all currencies. Revelations 18 provides a vivid view of how the world will react to this catastrophic event.

*15 The merchants of these things, which were made rich by her, shall stand afar off for the fear of her torment, weeping and wailing,*

*16 And saying, Alas, alas that great city, that was clothed in fine linen, and purple, and scarlet, and decked with gold, and precious stones, and pearls!*

*17 For in one hour so great riches is come to nought. And every shipmaster, and all the company in ships, and sailors, and as many as trade by sea, stood afar off,*

*18 And cried when they saw the smoke of her burning, saying, What city is like unto this great city!*

*19 And they cast dust on their heads, and cried, weeping and wailing, saying, Alas, alas that great city, wherein were made rich all that had ships in the sea by reason of her costliness! for in one hour is she made desolate.*

The world will have been cast into chaos when Jesus returns to gather his own. God will deal a deadly blow to the Great Whore Babylon but Jesus will follow with punishment and judgment of the nations who succumbed to her fornication.

*And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth*

*the winepress of the fierceness and wrath of Almighty God.* A winepress as pictured crushes grapes to extract the juice by exerting pressure upon the grapes. The picture at left is an ancient winepress in Israel one that Jesus would have been familiar with. When Jesus comes back he will exert much pressure upon the nations crushing them with the wrath of God.

As believers today, we should look forward to the return of Jesus. Our world is slipping into decay and eventual death as satanic powers consume it through the rise of the beast and Babylon. Everything will be off balance even our planet earth will become out of alignment with the rest of the universe due to the high concentration of evil. When Jesus comes back he will restore the balance, right the wrongs and pave the way for a new earth and heavens. We are encouraged by the prophecy of Jesus return to be forward looking and preparing for not only the hardships we will encounter under the rise of the beast but also becoming spiritually strong to stand with Jesus.

As you move forward in your life use the return of Jesus Christ as your motivation to do better and become stronger. In coming years you will see many people fall away from God and the world will make it seem as if this is the normal thing to do but this is the tricks of the beast and the Great Whore. Hold fast in your faith, stand on that which is right and strengthen your spirit. Jesus is coming back and I don't want you to be one of the many living dead who fell for the beast.

*And he hath on his vesture and on his thigh a name written, KING OF KINGS, AND LORD OF LORDS. Rev.19:15,16*
