## **WARNING TO CHRISTIANS!!**

There is a storm brewing in America and it's a bad one. It's the growing hatred of Muslims by some Christian groups and individuals. God has a warning to these individuals and in this special edition of Prophecy Digest I want to devote time to this warning. For the past years hatred of Muslims has escalated in America and it's not coming from hate groups but from the very people who are suppose to exemplify the love of God and Christ. Never have I received such a strong message from God to deliver.

It takes a narrow ignorant mind to assume that every Muslim is a suicide bomber on a Jihad mission. Every Muslim you see is not filled with hatred. There are Muslims who want the same thing that you do, peace, just to have a good life in peace. Every human being on this

earth deserves the right to pursue a peaceful and prosperous life. Christ stated that we must do unto others as we would have them to do unto us but how can we command respect for ourselves while hating others.

[Thus Saith the Lord...

**I am the Alpha and Omega;** I am the ancient of days that go beyond the memory of man. **I didn't bring Israel out of Egypt and watch my son die on the cross just so you can hate my creation in my name.** Not in my name will you raise yourself up superior to others, you who I have made out of the same blood, the same flesh and the same limbs and spirit. Not in my name will you justify your own insecurity, not in my name will you do your wicked deeds against your fellow mankind.

Thus saith the ancient of days, the old El Shaddai of ancient Israel and the Christ who is the same yesterday, today and forevermore. **Your hate has caused you to become blind and I will withhold the eye salve of the Holy Spirit from you because you are not worthy,** so you will stumble about in your own stupidity in your own self-inflicted darkness until the hatred which you nurture becomes a cancer that consumes you.

You mock my creation and all that I have made. **Who made you the judge of my world, when did you become gods over mankind to pass judgment on what I have made.** You stand before the world cloaked in your own superiority, self importance.

You stand before the world as if you are a vessel of knowledge and do not have the sense to know that you are naked and ignorant. I will cause mankind to laugh at you. I will give you what you want and isolate you into your own pitiful dark corner of the world where the sun does not shine, where intelligence does not grow and there you and your hating kind can consume each other in hate.

Thus saith God of all Creation of all mankind:

**Because you hate your fellowman, you have shown your hatred of me. You deny me my power of Creation.**

The hatred you hold so dearly inside opposes my Holy Spirit and so wickedness, deceit and chaos brews within your soul. You are the ones who have stones for hearts, that would curse and damn the innocent children of the world because they are not like you or a part of your collective. Because you have the potential for this type meanness within you I will cut you off as a weed in my garden and cast you into the ovens of hell before your corruption can spread and hurt my little ones of the world. You have consumed the hateful wine of Babylon and have become the living cages of evil spirits and every unclean thing under the sun.

**You do not represent me with your rants and rages, you represent the man of perdition** and through your mockery of my creation you pave the way for the anti-Christ. You may think you are moving forward with your wicked agenda but **I am the maker and keeper of time and I will make time march backwards against you until you return to the dark womb from which you were born** and become an unknown dark spot in the memory of mankind.]

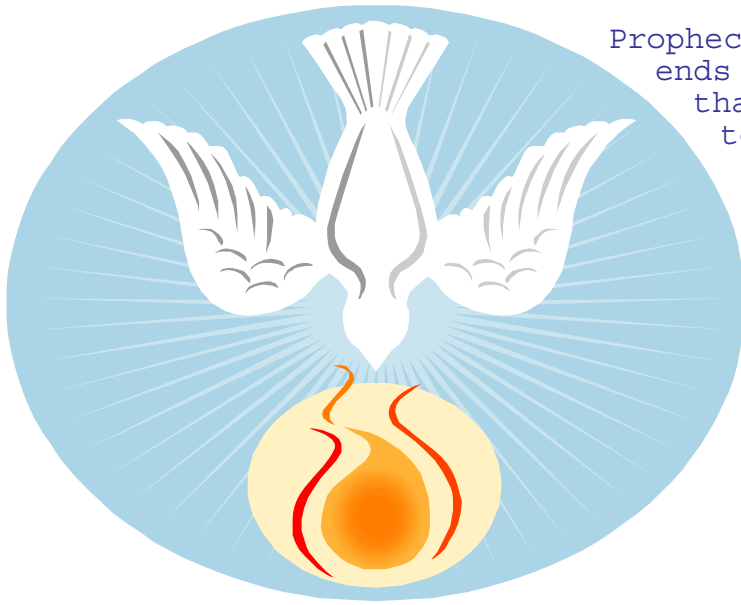

Hate is nothing but negative energy but many Christians today have become comfortable in nurturing this dangerous energy and it can only lead to one thing, self destruction. I remind all Christians to be diligent in keeping this hatred away from you. When you receive these emails encouraging you to hate Muslims or anyone else, don't receive these into your spirit. Don't open the door to this negativity in your life.

And to those of you, who are spreading this hatred, you have received this message and I pray that you will repent and search yourselves to correct the root of your hate. The hatred of Muslims is only a smokescreen for deeper issues within your life. I pray that you will turn from your hate before it destroys you and before the wrath of God rains down upon your life.

May the power of God establish this message worldwide.

I am your servant and sister in God,  
Sister Sharon

# TRUE PROPHECY OF GOD

Prophecy is truth. It begins with God and ends with God. A Prophet is nothing more than a vessel, a carrier of this truth to the intended. This is one of the reasons I stand firmly upon the foundation that true prophecy cannot be bought or sold because truth is free to all who can handle it. Trying to sell the truths of God is like trying to charge people for salvation, there are some things you just don't do. Please visit my website at [www.americanprophecy.org](http://www.americanprophecy.org) for truth based prophecy.

## Praise Him even in the Bad Times

It's easy to praise God when everything is going alright and when blessings flow but it's more important to pray during the bad times, to help stay focused. When crisis and problems befall you that's when doubts come into your mind, your faith is tested and patience is often hard to find. I've learned every time a problem hit's you shout out a praise to God. Chase the negativity out of your life through the power of the spoken word.

## *Urgent Call for Prayer!*

Dear Prayer Warriors and Intercessors,

Today I received a phone call from Lynn Ferguson (West Bend Aglow Community Lighthouse President). She is asking us to pray urgently for Gloria Danforth (our dear South Area VP of Special Events and member of the West Bend Aglow).

She is being rushed to Froedert Hospital (Milwaukee, Wi.) via ambulance at this time. Doctors have found a mass on an ovary and believe she needs immediate care!

This is all I know at this time, but I will try to keep you updated on how she is doing.

We believe that God's word is LIFE! It is also health and medicine to Gloria's flesh! God's Word is alive and engrafted into Gloria's spirit, it cannot be separated from her. Lord, we thank you that Gloria is restored to health and we give voice to your Word that says "Daughter Gloria, your faith (your trust and confidence in Me, springing from faith in God) has restored you to health. Go in peace and be continually healed and freed from your bodily disease. Mark 5:34

Lord, we pray that every cell that does not promote life and health in Gloria is cut off from its life source! Her immune system will not allow growths to live in her body in Jesus' name! Your Word says, by whose (Jesus') stripes you were healed. 1 Peter 2:24 We thank you that you supply all of our needs and we thank you that we can come boldly to your throne of grace and obtain mercy and find grace to help in time of need. Lord, we praise you!

God's Word is Spirit and Life, so please pray! Love to all!
